Dear Coach and Members of the Swimming Team:

As Mayor of the City of Taunton, I would like to take this opportunity to congratulate you for your most successful season. Your impressive seven wins - 2 loss season is indicative of the hard work and dedication that you exerted during the past season.

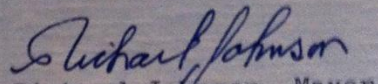

I am very disappointed that I am not going to be with you this evening, because of a prior commitment. Dick Robinson, alumnus of Bridgewater and the swimming program, cordially extended an invitation to me to join with you to celebrate your victorious season.

I would also like to congratulate and thank him for his continuous efforts and support and encouragement of swimming in the greater Taunton area.

Please extend my best wishes to those who will be going to the New England Championships. I feel confident that Bridgewater and our entire area will be well represented by your participation.

Keep up the good work, and if there is ever anything that I can do to assist you in your endeavors, please feel free to contact my office at your convenience.

Very truly yours,

  
Richard Johnson, Mayor
