### **Nearly 340 Student-Athletes Named To Spring 2010 MASCAC All-Academic Team**

Buzzards Bay, Mass. — Nearly 340 student-athletes have been honored by the Massachusetts State College Athletic Conference with selection to the league's Spring 2010 All-Academic Team that was released earlier today by Commissioner **Angela Baumann**.

Student-athletes that compete in championship varsity sports offered by each of the eight MASCAC institutions during the course of the recently completed Spring 2010 academic semester and have achieved a 3.20 cumulative or semester-based grade point average during the semester are eligible for selection to the Spring All-Academic Team. The conference recently changed its format for announcing its All-Academic Team, as the MASCAC will now honor student-athletes for their achievements in the classroom on three occasions during the course of the academic year in the fall, winter and spring.

Westfield State College placed the most student-athletes on the Spring 2010 MASCAC All-Academic Team with 71 total, while Fitchburg State College and Salem State College followed with 55 each.

"I want to congratulate all eight member schools on having such a tremendous number of student-athletes honored on the first-ever Spring MASCAC All-Academic Team," Commissioner Baumann said of this year's squad. "The commitment to the all-around development of our student-athletes both in the classroom and in competition is something that our schools take great pride in, and the success that MASCAC student-athletes have achieved in the classroom is testament to that commitment."

In its 39<sup>th</sup> year of existence, the Massachusetts State College Athletic Conference is comprised of eight NCAA Division III member institutions: Bridgewater State College, Fitchburg State College, Framingham State College, MCLA, Massachusetts Maritime Academy, Salem State College, Westfield State College and Worcester State College. Two other NCAA Division III member schools, the University of Massachusetts Dartmouth and Plymouth State University, are affiliate members of the conference in the sport of men's ice hockey.

The Spring 2010 MASCAC All-Academic Team, which is broken down by member institution, follows:
